"I am so grateful for God's invitation to a Shalom retreat. I feel so much closer to my Heavenly Father and learned so much from the different speakers. I went in heavily burdened and came out much lighter. I still have a long way to go, but with the help of the Holy Spirit, I know I'll get there. Words cannot express my gratitude for all your prayers and everyone's hard work!"

- Mary W.

"Over my 73 years, I have attended many "spiritual" conferences and retreats, but the Shalom Retreat tops my list. I tapped into the lost regions of my soul and found the Father, the Crucified Jesus, the Holy Spirit, and Mama Mary. I am on a new Spirit-filled path; my future looks bright and I find myself in the embrace of a loving God."

- John P.

"What an amazing experience I had at the Shalom Retreat, from the inspirational words to the heart-melting spiritual healing. Words cannot express how I felt. I would like to encourage people to attend because it will change lives and give people understanding and peace. I was touched so much and never had such an amazing experience!"
